ACA Enrollment and Staff Recruitment Survey

Directors- we need your summer 2009 enrollment information! With the economic downturn as well as the H1N1 outbreak, we know that this summer was challenging for many camps. The Fall Enrollment survey is the one place for us to collect this critically important information, but we have to have YOUR help! Please complete the camper enrollment-staff recruitment survey at http://www.surveymonkey.com/s.aspx?sm=efYVlrBeEy8Bt7dTUPy BvA_3d_3d Just click on "October 2009 Camper Enrollment" under "Current survey" to complete. The survey is completely anonymous and will take approximately 15 minutes to complete. When compiled, the data will provide us with critical information about such aspects as attendance at camp, increases and decreases in enrollment, returning camper statistics, age breakdowns, session lengths, staffing patterns, and current challenges faced around camper enrollment and staff recruitment. The information from this survey will provide a baseline from which we make projections and determine trends for the coming year, so every camp's information is critically important! Please complete the survey today!!!

Northland Breakfast Club- November 24

Bring a friend, bring yourself, but do come when you're able to the Best Perkins in the World at 50th and Hwy 100 in Edina. Be there at 8:00 am (or whenever you can make it). RSVP's are helpful so we have enough seats set aside, but we'll always make room so come at the last minute if your plans change. Ideas for topics of discussion are welcome and can be sent to me with your RSVP, or by Monday at 5:00 pm, or just bring it up while we're all together. Please RSVP to Laura Nolan laura@lincoln-lakehubert
